Experience

Academic Tutor, Independent Contractor (Nov 2018–Present); ETSU (Oct 2014–Feb 2018)
Regularly tutors students from elementary to college level covering a wide variety of subjects including English, probability and statistics, chemistry, biology, physics, and calculus.

Guest Programs Team Specialist, Georgia Aquarium (Mar 2018–Jun 2019)
Supervised guests during animal interactions with marine invertebrates at touch pools. Gave presentations and behind the scenes tours at the aquarium.

Digital Media Specialist, Bays Media (Feb 2016–Sept 2017)
Performed PC maintenance, video editing, photo editing and restoration, and other computer-based work for a small business. Compiled the 40-page manual detailing all of the work done there.
